

# Toilet Paper Dispenser Fit Checklist

---

Use this checklist before ordering toilet paper to make sure it fits your office dispensers.

## 1. Identify Your Dispenser Type

- Standard Roll Dispenser
- Mini Jumbo Dispenser
- Jumbo Dispenser
- Coreless Dispenser
- Interleaf Tissue Dispenser

## 2. Measure Your Existing Toilet Roll

- Roll Diameter (mm)
- Roll Width (mm)
- Core Size (mm) or Coreless

## 3. Consider the Foot Traffic

- Small Office (1–10 staff): Standard Roll
- Medium Office (10–50 staff): Mini Jumbo or Interleaf Tissue
- High Traffic (50+): Jumbo, Twin-Roll Dispensers or Interleaf Tissue
- Childcare or supervised settings: Interleaf Tissue helps manage usage

## 4. Think Eco-Friendly

- Look for recycled or compostable toilet paper
- Choose FSC-certified or NZ-made options
- Check for plastic-free packaging

## 5. Questions to Ask Your Supplier

- Does this roll fit my dispenser?
- Can you recommend an eco option?
- What is the lead time for bulk delivery?
- Are product specs listed clearly?

## 6. Consider Interleaf Toilet Tissue

- Ideal for childcare centres, schools, and healthcare facilities
- Dispenses one sheet at a time to reduce waste
- Promotes better hygiene and limits overuse
- Suitable for both toilet tissue and facial tissue options
- Great for smaller hands and assisted care settings
